Our Vision

To become the most valued educational experience in the Pikes Peak region due to our visible Christ-like influence, measurable academic excellence, and loving support provided to our students and families.

What We Believe

God is the creator of all things, Jesus is the Son of God, and God inspires and guides us through His Spirit and His holy word, the Bible. God created man in His own image to fulfill His purpose which is to glorify Him. There is a necessity of a strong bond between the Lord's Church, the Family, and the School in the education of the child. The strength of that bond allows the environment for each child to realize his or her greatest potential, to develop a love of learning, to think and act creatively, and to interact compassionately with others.

Our Beginning

We began as a Preschool and Day Care in 1981, founded by members of Eastside Church of Christ. The first elementary grade was added in 1985, the first middle school grade in 1989, and the high school in 1999. Our first senior class graduated in May 2003. We are dually accredited by the National Christian School Association (NCSA) starting in 1994 and by AdvancED starting in 2012.
